Name Tags

They will only have your real first name, last initial. No nicknames, no funny names. We must know who you are.

Signing In / Signing out

You must sign in when you arrive. You must sign out when you leave. We don't want to be looking for you later.

Falling Food

If it falls, do not put it back on the plate or tray. If you need to, return to the counter to have them fix the plate or tray. Get somebody to clean up spilled food.

Eating Food

All kids must eat and drink in the hallway or at a table with their family. All workers are entitled to breaks and to a free meal.. Do not abuse this. Do not walk around the activity center eating/drinking.

Helping Out

Whether you are working in the pop area, as a server, or anywhere else - you must be willing to help with other tasks if an adult asks you to - including bussing / setting tables, filling catsup bottles, or offering refills.

Bussing

Do not bug people who are eating. If the table is empty, clean it up. If a server or an adult asks you to clear some dishes - please do it. Do not ask people if they are done yet. Do not put dirty buckets on clean tables or chairs.

Fighting

Do not argue over whose table is whose - if somebody asks you to serve a table - DO IT!

We do not want to hear "it is not my table". If you do not follow this your parents will be called.
